PLAN DESIGN FEATURES

COVERED SERVICES	OPEN ACCESS IN-NETWORK	POS IN-NETWORK	OPEN ACCESS OUT-OF-NETWORK	POS OUT-OF-NETWORK
Annual Deductible <i>For injury, illness or maternity</i>	\$300 per individual \$600 per family	None	\$500 per individual \$1,000 per family	\$200 per individual \$400 per family
<p><i>Coinsurance is the portion of covered health care costs for which an insured person has a financial responsibility, usually according to a fixed percentage. For example, 90%/10% plan coinsurance means the plan pays 90% of your covered costs (such as costs for physician and surgeon services in a hospital) and you are responsible for paying the remaining 10% after you meet the deductible and co-pays. Coinsurance amounts apply to your out-of-pocket maximum.</i></p>			<p><i>In-network co-pays will not apply toward the in or out-of-network annual deductibles.</i></p>	
Out-of-Pocket Annual Maximum	\$1,500 per individual \$3,000 per family	\$1,000 per individual \$2,000 per family	\$4,500 per individual \$9,000 per family	\$3,000 per individual \$6,000 per family
Maximum Lifetime Benefit	\$2,000,000 <i>(combined in- and out-of-network maximum)</i>	Unlimited	\$2,000,000 <i>(combined in- and out-of-network maximum)</i>	\$2,000,000 <i>(combined in- and out-of-network maximum)</i>

<p><i>Any benefits you receive reduce your lifetime maximum. For each year, the Open Access plan provides an Annual Reinstatement that automatically increases your maximum by the amount of benefits paid, up to \$5,000. This calculation will be done when a member approaches the lifetime maximum.</i></p>
