Member must file a claim Plan out-of-pocket maximum is unlimited

Note 1: *Certain drugs may require a prior authorization in order to receive the prescription or the full quantity your doctor prescribes. Some medications may have a quantity limit. For a listing of the brand names or categories that currently require prior authorization, see the Prior Authorization List.*
Note 2*: Certain drugs identified by the ACA as preventive care are covered in full and are not subject to copayments or coinsurance.*

Generic vs. Brand*: If you purchase a brand-name medication when a generic is available, you will pay the generic copay/coinsurance plus the difference in cost between the brand and the generic.*

Important Note

This information describes only certain highlights of the company's medical plans. *It does not supersede the actual provisions of the applicable plan documents, which in all cases are the final authority. Company plans, programs, practices, or processes may be amended, changed, or terminated by the company at any time without prior notice to, or consent by, participants. This notice does not constitute a contract of employment between the company and any individual or an obligation by the company to maintain any particular benefit program, practice, or policy.*
