

ORNL is offering new dental plan options in 2025!

Select the plan that's best for you and your family during ORNL's open enrollment, Oct. 15-31, 2024.

All current dental plan participants will be automatically enrolled in the Delta Dental basic plan for 2025. If you'd like additional dental coverage, you must elect the Delta Dental enhanced plan during open enrollment. The basic plan covers your everyday dental needs while the enhanced plan offers upgraded coverage. **Check out the differences below to compare your options.**

| | Basic plan | Enhanced plan |
|-------------------------------|--------------------|-------------------|
| Annual maximum | \$1,500 | \$3,000 |
| Deductible | \$50 | No deductible |
| Orthodontics | Children to age 26 | No age limitation |
| Orthodontics lifetime maximum | \$1,500 | \$3,000 |

See the dental benefits summary for full details at benefits.ornl.gov.
